

2009 Regional Competition Results

There are four regional competitions every year that we enter our performers into. This year there were competitions in January, March and May and October. Congratulations to all our competitors for taking part and for getting so many best scores. Thanks to all those who helped and judged. STC results from the regional competitions are provided below

This year (2009) we also decided to enter the Closed Age Groups competition which was completely new to us. Open only to gymnasts who train at West Midlands Clubs, this has four possible competition types – age groups, elite, synchronised and DMT. The individuals with the highest scores from the elite section go forward to represent the region at national competition level. As this was our first entry we put a small number of our bouncers into both the elite and age groups sections. It was great to see our club bouncers going up against gymnasts who compete both nationally and internationally. We will have a look at what we have learnt and make plans for next year's competition.

Results for club members in the regional competitions are provided below. All results from the West Midlands Competitions are also recorded on the West Midlands Trampoline website shortly after a competition takes place, historical results are also available on the site.

Regional F girls (under 15 years)	
Caity Higgins	15th/22

STC Competition - 27th June 2009

This was our first Club competition and we hope everybody that took part and came along to watch had a great time. The competition had two groupings, under 11's and over 11's and the competitors performed the routines that are part of their current British Gymnastics (BG) proficiency award. Where the competitors performed the five bounce routine that is part of BG proficiency award 5 the scores were doubled to make them comparable to the ten bounce routines performed for awards 6 and above.

Results - Under 11's

Position	Name
1st	Lucy O'Hagan
2nd	Alice O'Hagan
3rd	Jemma Lutwyche
